About PRAHARI

PRAHARI Security Services & Manpower Solutions LLP provides premier security and workforce management solutions across the Delhi NCR region. Built on the foundation of military-grade discipline, site-specific training, and strict statutory compliance, we deliver customized protection and workforce solutions designed to safeguard your corporate assets, industrial facilities, and premises.

OUR VISION

To set the benchmark in security and workforce management through unyielding discipline, technology integration, and operational excellence.

OUR MISSION

To protect businesses, institutions, and communities by delivering screened, highly trained, and supervised personnel backed by transparent administration.

Specialized Protection Capabilities

Armed PSO & VIP Security

Licensed armed guards, elite personal security officers (PSOs), and high-threat executive escort services.

Bank & Financial Vault Security

High-vigilance guarding, ATM monitoring, customer assistance, and high-value vault protection protocols.

Executive Bouncers & Escort Teams

Tactical crowd control, venue security management, and physical threat containment teams.

CCTV & Surveillance Monitoring

Certified control room personnel for 24/7 central video surveillance, access logging, and alarm response.

Facility Management & Specialized Manpower

Facility Support & Housekeeping

Professional janitorial cleaning, industrial floor maintenance, sanitization, and pantry stewarding personnel.

Skilled Technical & Operational Labor

Machine operators, warehouse handlers, electrical/maintenance technicians, and office helpdesk support.

Recruitment Process Outsourcing (RPO) & Bulk Staffing

End-to-end recruitment management covering sourcing, vetting, physical screening, background checks, and onboarding workflows tailored for large-scale corporate expansion or industrial workforce demands.

Sector-Tailored Security & Event Operations

Hospitality, Malls & Event Access

Discreet access control, metal detector screening, crowd coordination, and courteous visitor management.

Corporate & Commercial Parks

Integrated perimeter patrol, vehicular movement tracking, exterior perimeter sanitation, and access checks.

01 Industrial & Manufacturing Plants

Rigid gate-pass checks, material log registers, surprise supervisory audits, and theft containment routines.

02 Healthcare & Hospital Security

Staff trained in de-escalation techniques, handling anxious visitors, and maintaining order in high-stress zones.

Rigorous Guard Training & Bulk Readiness

Every security professional deployed by PRAHARI undergoes a structured pre-deployment training program in our dedicated drills, physical conditioning, classroom legal protocols, fire safety exercises, and soft-skill communication.

5-Module Core Curriculum

- ✓ Physical Drill & Conditioned Posture
- ✓ Access Control & Visitor Registers
- ✓ Fire Safety & Evacuation Drills
- ✓ First Aid & Life Support Readiness
- ✓ De-escalation & Etiquette Training

Statutory Transparency

- ✓ 100% Police Verification Prior to Shift
- ✓ Full EPF, ESIC, and PT Enrollment
- ✓ Direct Bank Salary Transfers
- ✓ Monthly Challan Receipts with Billing
- ✓ Routine Field Officer Night Audits
